ORDER DENYING PLAINTIFF'S MISCELLANEOUS MOTIONS

Plaintiff filed the instant prisoner civil rights action, pursuant to 42 U.S.C. § 1983, against the various entities, individuals and an insurance company. Plaintiff claimed that, while detained at the Saginaw County Jail, he was injured in a slip and fall due to unsafe conditions. He also alleged that jail officials had been deliberately indifferent to his serious medical needs.

This cause comes before the Court on Plaintiff's Motion For Production of Documents (Docket #13) and Motion for Immediate Discovery (Docket #15) dated April 27, 2006. Plaintiff also filed a Motion for Summary Judgment (Docket #18) on May 2, 2006. Since the defendants have not been served, and no answer has been filed to the complaint, all three motions are DENIED WITHOUT PREJUDICE. Plaintiff may resubmit the two discovery motions, if the case survives summary disposition. Plaintiff may resubmit his own motion seeking summary disposition once the defendants have been served and an answer to the complaint has been filed.

SO ORDERED.
